

POLYSMARTS

PACKAGING CO.,LTD

*Specializing in Paper & Biodegradable Plastic Bags
with more than 20 years experience*

Company Introduction:

Dongguan Poly Smarts Packaging Co.,Ltd is a professional largescale manufacturer of all types of Packaging Bags (Kraft Paper Bags, Biodegradable Plastic Bags, Food Bags, Coffee Bags, Ziplock Bags, Stand Up Pouch Bags, Flat Bottom bags), integrating development and production together.

Poly Smarts was established in 1998, now we have more than 20 years of history in the packaging bags industry.

Poly Smarts is located in Dongguan City next to Guangzhou and Shenzhen Guangdong Province China with more than 8000 square meters workshops.

Poly Smarts employs more than 100 workers; through the efforts of our entire staff, we have become one of the top manufacturers of packaging bag in China. Poly Smarts people have continuously tried to improve product quality and focus more on the environment, moreover, we use the high speed 10 full color printing machine, high speed laminating machine, high speedcutting and sealing machine, giving our company good technical capabilities.

Currently, Poly Smarts already exported mainly to America, Europe, Asia and 50 other countries and regions. Poly Smarts has always focused on researching, development innovation and environment

Poly Smarts will initiate the second phase of our development strategy. Our company regards “environmental, reasonable prices, efficient production time and good aftersales service” as our tenet.

We hope to cooperate with more customers for mutual development and benefits and protect our earth.

Warmly welcome the potential buyers to contact us.

Kraft Paper - 3 Sides Sealing Bag

Material: Kraft Paper+VMPE/PE
